The 3 Columns of a more intelligent Policy for Urban Transport

**Private
motorized
transport**

**Public
transport**

**H P M (*)
Walking
Cycling
Wheeling**

(*) HPM = Human Powered Mobility

Manfred Neun (ECF President): Let's develop the 3rd column now !

Topic: Police and Bicycle

As announced:

- “A topic very much up to date and with perspectives”
- “police corps as bicycle users”
- “police corps in their tasks of law, regulation and by-law application”

Topic: Police and Bicycle

Headwords in the themes on Thursday:

- Europe
- The vehicle bicycle
- Environment
- Mobility
- Crime; bicycle theft
- Automobile

But links to other themes too ?:

- education; training
- health; quality of life
- communication
- campaigns
- cost-benefit
- safe mobility

Police on Bicycles: 'They help humanizing the streets'

Police officers co-operating with a school educating kids and checking their bicycles (Emlichheim/Germany)

A police officer helps creating more space for cyclists during an event in Brussels (a blue carpet changes the street temporarily more in favour of cyclists)
